8 Horseshoe Close, Balsham, Cambridge, CB1 6DP

This extensive collection of Archives, Photographs, and Postcards has been collected over many years. The main aims of the group is to collect or scan as many photographs and postcards of the village as possible, as well as to record and transcribe as many historical documents, deeds, wills, etc as can be found.

If anyone has any photographs or pertinent information or documents the group is always very grateful for the opportunity to scan them, in order to build up a picture of this special village that once was the home of the Summer Palace of the Bishop of Ely and hence has a very large and important church.

We are always keen to see and, if possible, scan pictures or documents relating to any aspect of Balsham. Members of the Balsham History Group and the Linton & District Community Archive Group have been digitising and adding, some of the Balsham images, sound archives etc to the *Linton & District Community Archive Group* web pages. Linton & District Community Archive Group is one of 47 other local groups that make up the Cambridgeshire Community Archive Network ***(www.ccan.co.uk)***
