Our extensive collection of archive material, photographs, and postcards has been collected over many years. The main aim of the group is to collect or scan as many photographs and postcards of the village as possible, as well as to record and transcribe historical documents, deeds, wills, etc. We are always keen to see and, if possible, scan pictures or documents relating to any aspect of Balsham. Members of the Balsham History Group and the Linton and District Community Archive Group have been digitising and adding many of the Balsham images to the Linton and District Community Archive Group web pages.
