

2010 – 2011 Programme
 Cambridge Industrial Archaeology Society

Cambridge Industrial Archaeology Society

The Society's aim is to study and record the industrial history and artefacts of Cambridgeshire. It is affiliated to the Association of Industrial Archaeology (AIA), and is one of the founder members of the East of England Industrial Archaeology Conference (EERIAC). Meetings, visits and conferences are open to everyone with an interest in industrial history.

Membership for October 2010 – September 2011
 £10.00 due from October 1, visitors £2.00 each meeting.

EERIAC

The East of England Regional Archaeology Conference is normally held on the second Saturday in June each year. In spite of the grand title, these are fairly informal affairs, and all are welcome, even if not members of CIAS. The usual format is for talks in the morning followed by a tour round local sites of interest.

EERIAC 2011 is due to be held in Norfolk – information will be sent to members when available.
