Discover the vibrant history of Cambridge people in this beautiful timber-framed building dating back to the 1600s. The social history collections on display include children's toys, fen and folklore items, painted inn signs, cooking and cleaning implements, decorative and applied arts, trade items and objects from University life all dating from 1660s to 1960s. The museum holds lectures, activities for children and families, adult education classes, school workshops and much more, please telephone for further details.
