Secretary: **Doreen Furness**

Chesterton was home to the company W. G. Pye which developed radio in the 1920 and produced wireless sets, and then black-and-white televisions – all that is gone. The group aims to promote an interest in local history by talks and in the collection of photos and the recording of memories. The group is using CCAN to further this aim. Enquire about the village walk which includes photos of past scenes.

Meetings are held in St Andrew's Hall, St Andrew's Road, Chesterton, Cambridge CB4 1DH, on the 3rd Tuesday in the month at 2.30. Sept. to Nov. and Jan. to May. Membership: £10; visitors £2 per session.

For more information contact: David Stubbings 01223 368279 or Alice Zeitlyn 01223 357395.
