The Ely and District Archaeological Society (EDAS) was founded in 1980. The object of the Society is 'to advance the education of the public in their study of archaeology, history, and kindred subjects'. EDAS promotes this through: a programme of lectures between October and May, visits to sites of archaeological or historical interest, and collecting and disseminating information about archaeology and history of the local area.

Meetings are held on the 3rd Monday in the month (between October and May) at the Methodist Church Hall, Chapel Street, Ely. The lectures deal mainly with local and regional archaeology or history, and include presentation of recent discoveries. There are also talks about archaeological sites or history in a broader context.

Membership: individuals £ 8; joint membership £14; student membership £1; visitors £2.50 per lecture.
