Haslingfield is a thriving village community in the heart of South Cambridgeshire – just six miles south of Cambridge itself. The village has a primary school, two churches, a village hall, a pub, a large recreation ground (complete with new children's' playground, tennis courts, football and cricket pitches) and a skate-board park. Our many clubs and societies cater for all interests and ages and we have a thriving Village Society

Further information about the Programme is available from the Secretary
