Huntingdonshire Family History Society (HFHS) was founded in 1985 to help people to find out about their family history. It aims to provide links between people interested in families of the old County of Huntingdonshire and to provide a forum for persons interested in genealogy generally, both the beginner and the experienced genealogist. It recognises the needs of those members who cannot easily get to research in Huntingdon, and so constantly is taking account of the advances in information technology, as well as those who do not have access to new technology. It actively supports the Huntingdon and English Fens Genealogy Mailing List. Our journal *The Huntsman* is published three times a year. The Society is a member of Federation of Family History Societies and is a supporter of the Genealogy UK and Ireland (GENUKI) information service, and publications of many UK and overseas societies are added to the rapidly growing library.

Monthly lectures are held on the 3rd Wednesday of the month at 7.30 pm at The W.I. Centre, Walden Road, (The Ring Road), Huntingdon PE29 3AZ from September to July, where there is also a bookstall with a wide range of genealogical, and local history publications.
