14 St Andrews Close, Isleham, Ely CB7 5TB

The Isleham Society is a group of friends interested in our village, its history, traditions, its preservation, and development. It is a non-profit making Society registered with the Charity Commission. We meet regularly throughout the year, usually on the 3rd Thursday in the month in the Village Hall at 7.45 for 8pm. We have interesting speakers, often with special emphasis on topics of local or East Anglian interest. The Society also organises outings each summer. Meetings are followed by a cup of tea or coffee and the opportunity to meet other village people and our guests. Though primarily a group of Isleham residents, the Society welcomes members and visitors from all over. It will flourish for as long as sufficient residents and friends of Isleham - young and old – continue to care about all aspects of our village and become active members.

Meetings are held at Isleham Village Hall at 8pm on the third Thursday of the month. The Annual Subscription is £10 per person / £15 per couple and visitors are welcome at £2 per session.
