The Society was formed in 1962 to protect and improve the built and natural environment, research, record and publish the village history. Activities include a programme of talks on Wednesdays in the Village Hall at 7.30 pm during the autumn and winter months, visits to places of interest in the spring and summer, social events, and comments on appropriate planning matters.

Meetings are held on the third Wednesday of the month during the winter with various speakers. Membership costs just £1, with an entry fee of £2.00 per head per meeting, to include tea/coffee. Meetings are held in the village hall with ample parking. Activities continue throughout the summer except in August.
