The Society aims to promote interest in Local History, the environment and the conservation of the Linton & District region. The Society chairman has a photographic record of Linton containing over 3000 photographs collected by the Chairman over many years. The chairman in association with the Society and the local newspaper the Linton News have produced a comprehensive book of photographs of the village, entitled "Linton in Pictures", see the website for details of how to get hold of your copy.

6 villages in the Linton & District area, (the Abington's, Balsham, Hildersham, Linton & West Wickham) have clustered together to form the Linton & District Community Archive Group.
