Michelle Bullivant undertakes private research projects from reports to excavation, house, and family histories to garden history. We provide the equipment, manpower, and expertise to carry out smaller scale projects that do not usually come under the remit of larger archaeological organisations. We have a team of volunteers on our database and actively encourage, teach and train them on various aspects of archaeological and historical work. If you would like further information or would like to know more about becoming an associate or volunteer then please get in touch.

Example of projects completed: St Bedes 2XL Lottery Heritage Funded Project 2002- 2007 including; Giants Grave/ Spring Head, the Lost Watermills of Cherry Hinton, The Parkland, and Buildings of Cherry Hinton Hall.
