Oxford Archaeology East was founded in 2008 and was formerly the Cambridgeshire County Council Archaeological Field Unit (CAMARC/AFU). OA East remains a local archaeological unit and carries on working predominantly in Cambridgeshire and East Anglia. OA East continues to work closely with Cambridgeshire County Council and as Cambridgeshire Archaeology OA East works directly with the Cambridgeshire County Council Archaeology Office to deliver education, outreach and public archaeology for Cambridgeshire.

OA East is a Registered Archaeological Organisation with the Institute of Field Archaeologists and has a proven track record of carrying out high quality archaeological work in a competitive market place. Oxford Archaeology has a long track record of undertaking archaeological projects and is Britain largest archaeological contractor, a Registered Educational Charity, and offers archaeological opportunities not only in Britain but in Europe and beyond.
