The Peterborough Civic Society is the local civic and amenity voluntary group financed by membership subscriptions. We seek to provide independent views on matters with which we are concerned and cover Peterborough and the surrounding area.

Our concerns are with civic, amenity and environmental matters and seeking to encourage the public and local authorities to value and care for the local heritage of buildings and other features of historical and environmental interest.

We seek to promote local knowledge and pride of place which is particularly important in our expanding and redeveloping city, whose residents are comparatively new to the area. To this end the Society is concerned with the future as well as with the past and present.

We publish an Annual Report on the previous year's activities and a spring newsletter giving an update on current activities and update on summer visit arrangements.

We also run an email meeting reminder service and also use this to update members on any last minute changes to arrangements.

The Society is a Registered Charity No. 279306 and is registered with the Civic Trust.

During the autumn and winter we hold monthly talks at St Marks Church Hall, Lincoln Road, Peterborough (located opposite the Tom Lock) and non-members are welcome to attend.

In the spring and summer we organise monthly visits to local places of interest to the Society.

Our programme secretary is Grace Taylor – for further information on our forthcoming talks/events please contact Grace on telephone 01733 263127 or email gf.taylor@ntlworld.com
