The object of the Society is to encourage interest in, and knowledge of, the local and natural history of the village and parish of Thorney, and to maintain the Museum for the interest and education of local people and visitors. The Society was founded in 1985, and opened the Museum in 1987. We organise events during the year for those interested in Thorney to meet each other, and also to raise money to support the Museum. We have an increasing involvement in local archaeological work, and are delighted to welcome pre-booked groups for tours of the medieval abbey, Victorian model village, and Museum. Information about membership and the future programme is available from the Museum.

The Museum is open from Easter Sunday to the last Sunday in September, Sunday afternoons from 2 pm -5 pm (slight variation at August Bank Holiday) – call to check.
