The Society was founded in 1992 to promote the study of local history in this part of Huntingdonshire. Meetings are normally held on the first Monday of each month at 7.30 p.m. at the Methodist Church in the High Street, Warboys.

We have speakers from around the area presenting general local history topics. Refreshments are available during the evening. Visits to local places of historical interest are part of the Programme and take place usually at a weekend two or three times each year.

A reminder of the Programme for the Monday meetings and visits is e-mailed to members and is distributed throughout the village at least a week before the meeting, and is displayed in local shops, in the library, on the Parish notice board, and outside the Methodist Church.

The Society is affiliated to the Cambridge Association for Local History (CALH). Membership £9 per year; non members and visitors £3 per meeting
