It covers the history of aviation in Huntingdonshire from 1911 and, specifically, the history of the airfield at RAF Wyton from 1916 to date. The main theme of the presentation is the Pathfinder Force (PFF) which was formed at RAF Wyton by Don Bennett in August 1942. As No 18 Group, PFF target marking was crucial to the success of Bomber Command up to May 1945.</p>
