## TALKS OUTLINE IN MORE DETAILS

### 1. Enigma - How cracking the enemy codes led to the world's first computer.

a. "All the experts have stated unanimously that there is no possibility that Enigma messages have been deciphered and read by the enemy".

This German message was deciphered and read by the enemy - we at Bletchley Park!

b. So how did we do it? And what advantage did it give us?

*Caring for the Future of Cambridgeshire's Past*
