After College, Bill worked with his father, continuing the tradition of conservation plasterwork and pargetting begun by his grandfather in 1926, throughout the Anglia region.</p>		

Bill Sargent is amongst the highest regarded pargetters (also spelled pargeter) in the country. His work can be seen in Suffolk, Essex, Kent and Norfolk and covers most areas of Conservation Plasterwork and pargetting (also spelled pargeting). This includes conservation plastering for listed buildings, Lime washing, Lime plastering (mouldings etc.) Arches, Lime floors and Brick stone and slate work.

Bill began plastering in the mid-sixties, doing a formal apprenticeship and studying at Hertfordshire College of Building. After College, Bill worked with his father, continuing

SPEAKER INFORMATION

the tradition of conservation plasterwork and pargetting begun by his grandfather in 1926, throughout the Anglia region.

Since 1971 Bill has been based in mid Suffolk, where many examples of his work may be seen. His work varies from claylump and brick to timber framed period properties, using materials such as clay plasters, chalk lime and sand lime putty plasters to produce a traditional finish and preserve the property..

*** We now offer retail supply of Lime Plasters, Lime Putty and Chalk Mixes ***

**All types of lime plasters supplied for both internal and external work. Soft haired lime putty mixes for timer frames to haired chalk mixes to Hydraulic mixes for solid work. Fine finishing plaster and lime washes. All lime plasters supplied by the tonne or in twenty litre tubs. On site surveys available also oak lathes and oak timers
Please phone for more details and prices ... Details at the bottom of the page**

Bill has worked on a number of famous sites including

**Ancient House Ipswich
Woolmarket - Horndon on the Hill
Bury St Edmunds Cathedral
Wolsey House - Ipswich
St Peters - Ipswich
The Burystead - Ely
Barret House - Bury St Edmunds
The Grove - Bridgeham
